

## ENVIRONMENTAL POLICY

The General Management, aware of the importance of the continuous improvement of the environmental impacts of the activities, products or services offered by Sepiol, SA, has set as objective the implementation and maintenance of an Environmental Management System, through which it ensures:

- **Prevention of pollution.**
- **Compliance with regulations, legal requirements and applicable provisions.**
- **Setting objectives for continuous improvement.**

In addition, the Environmental Policy should:

- **Adapt to the nature, dimension and impacts of activities, products or services.**
- **Provide a framework for setting objectives and targets.**
- **To be documented, implemented and maintained, as well as communicated to all staff.**

The achievement of this objective will be the result of a joint effort of all staff of Sepiol, S.A.
